MARCH 2012

My Cadillac Story By Ori Masdeu

Hi, my name is Ori Masdeu. I was born in Cuba in 1965. I lived in Brooklyn from 1968 - 1978. While walking the streets of Brooklyn going to and coming home from school, I saw many cars from the 60's and 70's.

I distinctly remember my father introducing me to a female co-worker named Sheila. She drove a 1976 Buick Electra 225 Limited with a sunroof, crushed red velour interior, power everything. That's when I fell in love with the American car.

1983 arrived and my father gave me a great high school graduation present. A 1973 Buick Riviera Grand Sport 455 V-8, floor shifter, 12 bolt positraction, power everything. Last of the boat tail Rivieras 1971-1973.

Fast forward to 2003. I finally had my first Cadillac, a 1978 Eldorado Biarritz, white with pillow seats and a moonroof. I have owned more than 20 Eldorado's between 2003-2012. I currently have 2, a 1973 Eldorado convertible, and a 1976 Eldorado convertible. I have owned Camaro's, Monte Carlos, a Mustang and a 1976 Lincoln Continental Mark IV Black Diamond.

My 1973 Eldorado convertible

My 1976 Eldorado convertible

I have attended a few Caddy shows and Bernie Cooney and Pat Caruso are the guys I most often see at the shows. Thank you, Joe Manna for the Stray Cats "Look at That Cadillac" video.

I used to own a 1978 Eldorado Eldeora with SUPERFLY headlights. Some people thought it was too PIMPALICIOUS, but I like the flamboyancy of the 70's cars. I also used to own a 1974 Blue Eldorado Eldeora, but recently sold it. I have been to many car shows and you seldom see a Cadillac Eldeora which is a model that usually had vinyl on the doors, special vinyl roof, window treatment, Landau bars or chrome hood cap or continental style trunk hump. I have seen a 1971 CDV Eldeora, a 1976 SDV Eldeora, and a few 1978 Eldorado Eldeora's. Few were made, but I don't know how many.

I look forward to attending more RRRCLC events this year and hopefully meeting all of you wonderful Cadillac lovers. "Best of all, it's a Cadillac." (My car can be seen on the RRRCLC website.)

MINUTES / REPORTS

The Secretary's meeting minutes from January were accepted and approved by the attending members. Bob Crimmins re-instituted a sign in sheet which he will keep in his file.

Treasurer - Joe Puleo gave a breakdown of his proposed budget for 2012. Joe also gave us the Treasurers Report for January which was approved by the attending members.

Webmaster - Pat Caruso advised 537,110 hits to our website. The web is up to date including the calendar with all events planned at this time until October, 2012. The Gallery is still to be updated. Pat thanked Ray Koziol for all the graphics and his valued assistance on the RRR website - a round of applause followed.

Editor's Report - No Report

Current membership = 120

Raritan River Region – CLC Meeting Minutes – Thursday, February 9, 2012 (continued)

OLD BUSINESS:

Jay reminded the attendees that elections are coming up for 3 Board Member positions and anyone interested in running should contact Ralph Messina. Ralph advised he will discuss this in greater detail at the March meeting and the new Board starts July 1, 2012.

Ralph also advised he needs to find another location for 8 boxes of RRR goods for sale and Jeff Montgomery advised he will be happy to store them. Ralph will give Jeff a detailed inventory.

ROYAL SHOW UPDATE - Joe Manna left a message with Joe Mitolo at Royal regarding this year's event. Dates were discussed and the following 3 dates were selected in order of priority - June 9th, 2nd or 30th.

Someone asked if we intended to carry on a theme as we did last year with the 100th Anniversary of Bob Losco's 1911 Cadillac.

Bob Crimmins mentioned 2012 is the 50th Anniversary of the 1962 Cadillac and Andrew Monahan mentioned a charity donation.

Ralph mentioned how good WOUNDED WARRIORS charity is and that 88% goes directly to the cause.

Jay reminded us of the upcoming "DUST OFF" on March 18th.

GOLD COAST UPDATE - Various dates in August were reviewed as well as September. August was preferred and the following dates were selected in order of priority: Sunday - August 12th, 19th or 26th.

Darren will call Jeff at Gold Coast and review them with him.

NEW BUSINESS:

North Jersey Cadillac Club was discussed. Tony D'Agostino and Greg Roser mentioned they are members and will be attending their upcoming February meeting which will include a discussion on joining the CLC as a region.

Steve and Carol Boyle joined in the meeting as guests having been invited by Rich Nalavany. They own several LaSalle's. They filled out the necessary form and joined the RRR.

An alternate meeting place was again discussed trying to bring in additional members who live too far away to attend the meeting in Summit. A location in Middlesex County near major highways seems logical. A pizza place on Rt. 1 in Edison - just off the GSP was suggested and Jeff Montgomery will check with the owner regarding a meeting room. If acceptable, the meeting could be held in 3-4 months from now.

FOR SALE:

Pat Caruso advised that Bob Rooke from Morristown is selling his 1941 Series 6219 Cadillac 4 door sedan - black with gray roof - original car - automatic transmission - needs some work - \$12,000.00 OBO.

Contact Pat for phone number.

Greg Roser advised a friend of his is looking for a 1973 Cadillac CDV although he might be okay with a SDV or Fleetwood.

As there was no other business to attend to, the meeting was adjourned at 8:40 PM.

The next meeting will be held on Thursday, March 15, 2012 at 7:30 PM at the Summit location.

Respectfully submitted,
Bob Crimmins
Secretary

So, while CNBC’s national audience may not get to see your face, they will get a chance to see your great car! Plus, CNBC will thank the Raritan River Region on the air!

If you are selected to participate, don’t forget to bring your camera – this event would make a great story for a future issue of Caddy Corner!

Announcing Our Annual Dust Off Brunch Sunday, March 18, 2012

I know, it's cold and windy with snow in the air, but let's face it, winter is just beginning and the old car season with its gentle breeze, sunny days and warm temperature is just a distant dream ... but what better time to lift the spirits and those winter doldrums than to announce our annual Dust Off Brunch for the 2012 season.

Those many members who have attended in the past know there are two main reasons to attend the Dust Off Brunch. **FIRST** of course is the food, all you can eat, at a reasonable price. Bottom line you get eggs, pancakes, french toast, sausage, bacon, danish, toast, omelets, home fries, etc., etc., for about **\$8.00 per person** (price may be *slightly* higher in March, check future announcements).

The **SECOND** reason to attend the Dust Off Brunch is to catch up with your fellow region members. Check on the progress made on member restoration projects. Find out whether Bob Rankin has found a working horn for Ms. Daisy or whether Bernie Cooney has finally located that elusive tire jack for his Seville! The buffet serving style and reserved club seating promotes table hopping and interesting conversations will abound.

This year we return to the Old Country Buffet which offers a comprehensive, all you can eat breakfast buffet at a very reasonable price. They are conveniently located in the Blue Star Shopping Center on Route 22 West in Watchung, NJ, just 9 miles West of the Garden State Parkway, and 9.8 miles East of Interstate 287.

So mark the calendar for March 18, 2012, **NO RSVP is necessary** just be sure to come hungry! Will the weather cooperate to bring a collector car?? If not come modern.

Details are as follows:
Sunday, March 18, 2012

9:00 AM To Noon

Old Country Buffet ~ 1701 Route 22 West, Watchung, NJ
